
A CARD IN THE MAIL this week notified us that an outfit in Charleston, South Carolina was "offering for sale a beautifully hand-colored Coat-of-Arms" of the above name (VIERHUS), individually painted in water colors on heavy paper measuring nine by twelve inches.

"The Coat-of-Arms is complete with shield, mantling, helmet, crest with the name itself in Old English lettering.

"Separately included with each painting is the heraldic description of the Coat-of-Arms and a general bibliography on heraldry.

"This card, or a letter, with $15.00 (no other charge) will bring you the Coat-of-Arms, along with the descriptive information, postpaid.....

....."ALSO AVAILABLE FRAMED, UNDER GLASS, $20.00, POSTPAID....."

How about that?

Aren't you suitably impressed?

That's exactly what we need.

A Coat-of-Arms.....

Personally we'll settle for a coat with arms.

But that's really not the point.

-0-

IT WAS JUST ANOTHER example, in our book, of the gullibility of the American public.

But apparently this mail order outfit in South Carolina has a pretty good thing going for it.

There are probably plenty of people around who are interested in heraldry and like to trace their family tree and all that. And they probably would take pride in some sort of crest or coat-of-arms that would be symbolic of their "old family" achievements through the centuries.

BUT, how in the world, did the name VIERHUS get on any "old family" list.

We DOUBT very much that any of the Vierhus tribe has ever been bothered to trace the family tree any farther back than to our grandparents who apparently left Germany in sort of a hurry.

We always understood that it had something to do with conscription in the Emperor's army. It was all sort of vague and even the name was spelled differently.

Of course, there is a possibility that on our maternal side, we could trace our ancestry back to the kings of Ireland. There were a lot of kings.

Only it is all a little vague on that score also.

Apparently our great-grandparents left the Emerald Isle in a hurry also.

We always understood it had something to do with the potato famine combined with English oppression.

So one might say that our "family tree" is not too far off the ground.

One could call it a bonsai type.

-0-

STILL IF WE HAD 15 bucks that we wanted to throw away, we would like to see what that company in South Carolina would come up with.....

The card specifies that "unless otherwise specified, we shall send the only, or the oldest, coat-of-arms for this name listed in our records....."

It might be interesting what the results would be for Vierhus.

On the other hand, maybe we are being unfair.

Perhaps we should design our own particular crest and coat-of-arms.

In the background, maybe we could work something out like say being impaled on the keys of our own typewriter.

With a suitable motto, of course.

AT CAMPBELL HIGH PARKING LOT

Jaycees sponsor bicycle drag races on Saturday

An event designed to find the top bicycle dragger will be held at Campbell High School on Saturday, May 22 from 10 a.m. to 2 p.m.

Called "Bicycle Drags", the competition is sponsored by the Campbell JayCees for school age youngsters who wish to find out if they are the "fastest bike" in town.

For a 50¢ registration fee, (to offset expenses) boys and girls can compete by age and sex with another youngster and the winner of each "drag" will have the chance to participate in another race.

The top eliminator in each age group will receive an award and each participant will be given a ribbon.

The races will be conducted from a dead start, so there is no particular advantage to bicycles with gearshifts, according to Tom Prebil, project chairman.

During the day, the Campbell police will have their department's public information van at the high school. An officer will also be available to license bikes ($1) for those who wish.

Refreshments will be available during the day.

Civic officials have been invited to participate and exhibitions of their riding "skill" will be made by local dignitaries, according to Prebil.

Among the city officials who have indicated they will do a couple of turns on their wheels are Myron Alexander, member of the Planning Commission, and Hank Cary, a member of the Parks and Recreation Commission.

ON PERCENTAGE FIGURE

Landscape issue faces mediation

Action on the proposed city ordinance regulating landscaping of commercially-owned parking lots was deferred by the Planning Commission at a public hearing Monday night to allow a time for a special committee to attempt to resolve the differences between the pros and cons that had been expressed.

The main hang-up between the two groups, the "pros" represented by the Parks and Recreation Commission and the "cons" by the Chamber of Commerce, concerns the percentage of space that the new ordinance specifies should be allocated to landscaping.

The proposed ordinance, as drafted by the P & R Commission, would require a minimum of 10% of the total site area for commercial parking lots and a 20% requirement for drive-in operations. Tony Van Laarhoven stated the case for the Parks Commission Monday.

The Chamber of Commerce, represented by Holly Vollenweider, chairman of the commercial development committee with the blessing of the entire board, submitted that the maximum percentage should be 10% for all parking lots.

The proposed ordinance provides for "exceptions". Advocates of the 10% minimum maintained that this clause, if properly written, would allow flexibility, and that a developer with an attractive plan thus could have less than 10%. Van Laarhoven added that any "maximum" condition defeated the purpose.

Vollenweider, however, emphasized that it was important to have the percentage specified because planning commissioners and their viewpoints change over the years.

Both sides, however, agreed that quality rather than quantity should be stressed in all landscaping conditions.

Representatives of the Chamber of Commerce from both the Parks and Recreation Commission and the Planning Commission will comprise the committee that will attempt to hammer out an ordinance that will be agreeable to all concerned.

How percentages vary in different developments in the area was illustrated by Dave Valkenaar, of the public works department, through a slide presentation.

The slides showed that in 12 different locations, the percentage of landscaping ranged from a low of 3½% to a high of 32%.

Ira Kirkorian, a director of the Chamber of Commerce and developer of the Kirkwood Plaza, supported the CofC's position and emphasized that quality and not quantity was the answer in landscaping. He added that he had 25 years experience in the field to back him up.

CITIZEN-OF-THE-YEAR--Homer Hyde (right), former mayor of Campbell and long-time civic leader, receives the plaque from Captain Don Burr, acting police chief, designating Hyde as citizen-of-the-year for 1970 by the police department.

The award was made at the fifth annual community recognition dinner sponsored by the police department. Officer Ron Pennington was named police officer-of-the-year and Stan Troia as the outstanding reserve officer.

Previous winners of the citizen award are: Bob Holman, 1970; District Attorney Louis Bergna, 1969; Don Kennedy, 1968 and Mrs. Evelyn Morgan, the Rev. W. H. (Ben) Gould, Bob Culp and George Vierhus, 1967.

Teachers propose master contract

A master contract, drafted by the Campbell Elementary Teachers Association, was submitted to the board of trustees of the Campbell Union (elementary) School District at the district board meeting held last Thursday.

No action was taken by the board, but it was indicated that "meet and confer" sessions are to be scheduled.

At the same meeting, a letter from the West Valley Federation of Teachers was submitted urging the board to consider an immediate tax election. No action was taken on the request at the meeting.

Herb Wadley, president of the CETA, reported in a news release that the proposals contained in the master contract had been approved by a vote of 280 to 119 by the members, and that the association had worked for eight months on the proposal.

Wadley claimed that many items in the proposals would not cost a cent, and that the master agreement would greatly improve the situation in the district. He also submitted that the teachers do not presently work under a contract, but are employed under a section of the Education Code which specifies that a teacher, if not notified of dismissal by March 15, is automatically rehired.

There is no guarantee at present, he added, what a teacher will earn, what he will teach, or what the conditions will be. He submitted that there are 3000 such contracts in existence throughout the United States.

HEARING SET FOR MONDAY

City trash pickup rates to go up

An increase of approximately 17% in rates for refuse collection within the city limits is anticipated in the new contract for Green Valley Disposal Co., which is scheduled to be acted upon by the City Council next Monday, May 24, at an informal public hearing.

Although the public hearing is "informal", city officials explain that residents will have an opportunity to express their viewpoints on the subject during the discussion period.

Green Valley Disposal (formerly Los Gatos Scavenger Co.) originally was granted a two-year contract on July 21, 1952 for refuse and disposal services and has had two contracts for five years each, and one for 10 years since that time.

The company is now operating on the 10-year contract executed on April 9, 1962. The current contract was modified on March 3, 1966 to provide the rate of $1.50 per month which is now in effect.

In March of this year, Green Valley requested a new contract for 15-years and a monthly rate increase to $1.75 from the present $1.50 for one-can service for single family residents. Each additional can would go from the present 85-cent rate to $1.10.

The request was taken under advisement by the City Council to allow City Manager Bob Stephens, City Attorney Bob Dempster and Fire Chief George Maxwell, to study the proposal and work out details of a new contract.

Stephens said this week that, based on their research, it will be recommended to the Council that the rate increase be accepted, but that the contract be for a 10-year period instead of 15 years.

He pointed out that Green Valley has not had an increase since 1966, and that the proposed rates are comparable to those charged in other localities.

At Monday's meeting, the City Council may also make the decision of whether the City of Campbell should break away from the county communication system and establish its own on July 1, 1971.

The decision, to a large extent, will be based on whether the county supervisors will approve the new rate charge that has been recommended for communication services to Campbell, which is more than double what the city is now paying.

Police Captain Don Burr, acting police chief, has reported that the city could operate its own system at $30,000 per year. The proposed county rate for next year would go to $36,000 this year and $56,000 the

PAST PRESIDENTS TO BE GUESTS

C of C honors old - timers at luncheon on Thursday

"Old timers" in the business and professional life of Campbell will be honored at the Chamber of Commerce monthly luncheon this Thursday, May 20, at Zorba's as part of the program recognizing "Small Business Week", May 16-22.

In addition, the CofC at Thursday's luncheon will honor a number of past presidents of the Chamber of Commerce. Past presidents for the past decade include, Bob Bullard (1970); Neal Royer (1969); Ken Mantle (1968); George Vierhus (1967); Dick Hardy (1966); Ron Tharp (1965); Jack Dawson (1964); Bill Ziegler (1963); Beach Strohm (1962); Myron Fairchild (1961).

Efforts have been made by the CofC committee during the past weeks to find the oldest professional and businessman in point of continuous service in the community. The committee will make its selection known at the luncheon.

Among the "old timers" who are in the running are: Lowell Benson, of Benson's Campbell Cleaners; J.M. Dahl, insurance; Guy Farley, insurance; Dr. W.R. Morgan, dentist; Hans Hansen of Tastegood Bakery; Dobie Jeffers, of Jeffers Mens Wear; Tony Raffanti, of Tony's Bee Hive Lounge, successor to Tony's Busy Bee; Tony DeMaria, who operates the same shoe store his father founded in 1926 and Frank DeVita, of Kopper Kettle, who started his doughnut business in Campbell in 1931 and moved to his present location on Winchester Blvd. in 1940.

Another feature of the program on Thursday will be a guessing contest as to the number of businesses that are operating in Campbell today.

Plans for the one-day membership drive for the Chamber of Commerce on Thursday, May 27, will also be revealed at the luncheon this Thursday. Bob Blonder, of Barclays Bank, and Tom Snowden, of Snowden-Pencer Corp. are captains of the two composed of 15 members each for the drive.

The deadline date for entries and other details for the third annual Chamber of Commerce golf tournament will also be announced. Ed Meszaros is chairman of the big event which will take place at Riverside Golf Course on June 16. The entry fee will include a luncheon, green fees and a steak dinner.

Players are limited to a field of 100 and Chamber of Commerce members will be given preference in the signups.

OFFICIAL RECOGNITION -- Mayor Ralph Doetsch (seated) signs proclamation recognizing "Small Business Week" May 16-22. The Chamber of Commerce will honor "old-timers ' in the business and professional life of Campbell at the CofC luncheon at Zorba's this Thursday, May 20, as part of the week's program.

Two long-time businessmen flank Norm Paul (center) president of the CofC. On the left is Frank DeVita of the Kopper Kettle with Dobie Jeffers, of Jeffers Mens Wear on the right.

Editorial

Small businesses

The week of May 16-22 has been officially designated as Small Business Week to recognize the part that the small businesses play in our nation's economic strength.

Small businesses supports big business and the imagination, courage and hard work of small businessmen traditionally has been a great source of national vitality and inventiveness.

Mayor Ralph Doetsch has officially proclaimed May 16-22 as Small Business Week in Campbell and through the efforts of a special Chamber of Commerce committee, headed by Joe Cuffaro and Dan Knowles, a special program has been planned honoring the small businesses in town.

At the Chamber of Commerce luncheon meeting this Thursday at Zorbas, special recognition will also be given to the oldest continuous merchant and the oldest professional man in town.

We think it is important that the small businesses be honored in this manner because it recognizes a basic principle that has too often been taken for granted.

Small business enterprises have made contributions to the development of this country that are unparalelled in our history. Small business is big in our national life.

We recognize that operating a small business today is not an easy task.

True, there are compensating factors, and the hard work that it takes to make a small business function is well worth it when success is achieved.

But despite the emphasis that is put on bigness today, the small businessman still occupies a position of importance as far as the basic economic structure of our country is concerned.

We are pleased to join in the salute to the small businessman during their special week.

License that bike

The Campbell Police plan to step up the enforcement on bicycle registration violations, because of the increasing number of thefts that have occurred recently.

We commend the police for this stepped up enforcement policy and we urge the residents of the community to cooperate.

The police report that during the month of April, 48 bicycles were reported stolen. At a replacement cost that exceeds $2500.

We all should be concerned.

A city ordinance requires that all bicycles operated within the city are to be licensed. If the owners of the bikes will comply with this ordinance, the police maintain, it will increase the chances of having the bicycle recovered.

The Campbell Police Department record department processes bicycle registrations by owner's name, frame or serial and registration numbers.

If there is no frame number on the bike, the department will place one on it at no charge. The cost of licensing bikes is $1 and the license does not expire.

While we concede that there will always be thefts of one degree or another, the fact remains that proper registration of the bikes will be a deterring factor, and will assist in the recovery of the bicycles.

Licenses may be purchased each Saturday morning at police headquarters at the city hall, 75 N. Central, between 9:30 a.m. and 11 a.m. The police also plan to establish licensing stations periodically at local schools.

Another advantage in the registration of bikes is in case of an accident. If a youngster who is riding a bike is involved in an accident, the license number will facilitate locating the parents.

We sincerely hope bike owners throughout the community will cooperate with the police in their endeavor to curb the bike thefts through the enforcement of the registration ordinance.

A sample of the bicycle registration form appears below. It can be completed and brought into the police department to facilitate the procedure.

trees and lawns in parking lots and yards.

The City Council recently learned that the term "office landscaping" can apply to the design and placement of office furniture inside a building.

Miles Tully, of Campbell Office Machines, who is working with Jeff Whittaker, city finance director, in drawing up the specifications for the furnishings of the new city hall, clarified the term "office landscaping" for the City Council's edification at a recent meeting.

Miles explained that the term did not mean the planting of any greenery within the confines of the building, but pertained only to the placement of furnishings within the various offices.

Admittedly it is a new way to use the word "landscaping", but we think it is a little redundant.

If these interior design people want to come up with a new word for their activity why not drop the "land" and call it "officescaping".

-0-

ALTHOUGH IT IS EXpected that the official family of the City of Campbell will be operating out of the new city hall sometime next month, the new furnishings for the $1 million structure will not be in place until September.

Moving day, by the way, has been postponed from June 4 to June 25.

Some of the present city hall furniture will be utilized in the new building, but the City Council has authorized $57,845 for the purchase of new furnishings.

Tully and Whittaker have spent a great deal of time going over each office almost inch by inch in the drafting of specifications for the new furniture.

They have also taken into consideration the needs of the employees.

It is quite a project.

But the city hall IS quite a project.

It is going to be around for quite a spell.

-0-

THERE WILL BE SOME items, of course, that are in use now, but won't fit into the new city hall.

A tentative surplus list has been made up which we have scanned. But we didn't find much that would fit into our particular operation.

And, of course, the list is subject to change.

For example, Tony Van Laarhoven, principal of Hazelwood School and a member of the Parks and Recreation Commission, had his eyes set on the bedraggled public address system that is now in use, on and off, in the council chambers.

The new council chambers will be equipped with a built-in brand new system.

So that old p.a. system was apparently "surplus".

And Tony, on behalf of Hazelwood School, put in his request.

There was only one hitch.

Police Captain Don Burr, acting police chief, had figured out that the p.a. system could be used in the police assembly room.

The Council was sympathetic to Tony's request and indicated that, if it didn't work out for the cops, Hazelwood would be on top of the list.

But right now it wasn't "surplus".

-0-

IN THE NEW CITY HALL, the police department will have about 7000 square feet of space, a far cry from the cramped quarters they have been operating out of for a long time.

The police department area in the new city hall has been designed for functional efficiency. Its floor plan is one of the outstanding features of the building.

A tremendous amount of research went into the planning and design of the department layout.

One man, of course, was largely responsible for the ideas that Bill Hedley, the architect, incorporated into the final plans.

Just another one of the many contributions that John Morgan has made to his community.

The list, of course, is endless.

following year.

Campbell already has its own equipment, and is in the process of recruiting the three additional personnel that will be necessary to operate it. However, until the City Council makes a final decision, no employees will be hired.

Next Monday night also a number of residents are expected to be on hand to protest the proposed zone change requested by Ray Stroppa from single-family residential to M-1-S (industrial) for property at 355 Bedal Ave.

Stroppa's request was denied by the Planning Commission and he has appealed the decision to the Council.

On Monday night, the City Council is also scheduled to take the final steps in the establishing of a local improvement district for the improvement of Catalpa, El Caminito and California Streets.

The LID has received the support of the necessary majority of the residents in the area and will be financed under the street bonds with the city picking up the tab for two-thirds of the cost and the residents paying one-third.

Drug prevention-rehabilitation booklet lists agencies involved

Information on agencies which provide drug education, treatment and rehabilitation services has been compiled by the Drug Abuse Coordinating Council (Pathway) in cooperation with the Santa Clara County Office of Education and now is available to the public.

The information is contained in a 42-page "Directory of Drug Prevention and Rehabilitation Agencies" which is intended to serve as a resource guide for concerned parents, educators, physicians, social workers, attorneys, personnel workers, clergy and pharmacists.

Listings in the directory include both public and private agencies throughout Santa Clara County and surrounding communities.

Agencies listed in the directory are divided into three categories – those providing direct drug abuse services in outside the county. The types of services available are listed under each agency's name along with its address, phone number, eligibility requirements, application procedures and source of funds.

The booklet took almost three-quarters of a year to complete, according to Charles J. Woll, executive director of Pathway, and resulted from requests by personnel in all phases of the drug abuse fight. Cost of printing the booklet was shared by the Drug Abuse Coordinating Council and the County Office of Education.

The "Directory of Drug Prevention and Rehabilitation Agencies" is available to anyone who can use it, Woll states. A donation of $2 is requested to cover cost of printing, handling and mailing. Copies can be obtained by writing or visiting the Drug Abuse Coordinating Council, 2175 The Alameda, Suite 23, San Jose 95126.

Holiday family film will benefit John D. Morgan Fund

A special family movie performance sponsored by Southwest YMCA to benefit the John Morgan Fund will be held Monday, May 31 at Century 25 Theater.

The sponsors include the YMCA staff, Gra-Y Clubs and Y Indian Guide Tribes, who have joined to present the 10 a.m. film "Hello Down There" starring Tony Randall, Janet Leigh, Jim Backus, Roddy McDowall, Ken Berry and Merv Griffin.

John Morgan, Campbell's chief of police for 11 years, was active in county YMCA activities and was instrumental in the formation and growth of the Y's Southwest Branch that serves west San Jose, Campbell, Los Gatos, Saratoga, Monte Sereno, Morgan Hill and Gilroy.

Morgan suffered a cerebral hemorrhage in February and is in Campbell Community Hospital.

Tickets for the show can be purchased at Westgate Stationers, Campbell Police Department and at Southwest YMCA in Los Gatos. Donations are $2. Seats cannot be reserved and will be sold on a first-come, first served basis.

FIRST TICKET--L.A. "Chris" Christensen, Southwest YMCA director, buys the first ticket for the John Morgan benefit movie from Victor Lemas of Falcons Gra-Y Club. Watching is Victor's father, Manny Lemas, who is director of the fund raising project, sponsored by the Y, which will be shown Monday, May 31 at 10 a.m. at Century 25.

Fifty golden years celebrated by Hills

Arthur and Amelia Hill of 1560 Capri Drive were surprised by their seven children recently on their 50th wedding anniversary with a champagne and buffet reception at the Santa Clara County Horseman's Association Hall in Almaden.

Mr. and Mrs. Hill, who have lived in Campbell for 30 years, were married in Montreal, Canada in April 1921.

Their children attended Campbell Schools and were all present for the surprise festivities which included 125 guests.

Present were Mrs. George (Anne) Slagel of Santa Cruz, Mrs. Ray (Sheila) Benech of Almaden, Mrs. Frank (Marion) Dardanelli of Los Gatos, Bill Hill of Campbell, Dan Hill of San Jose, Mrs. Jerry (Winnie) Lo Vine of Cupertino and Bob Hill of Campbell.

A TOAST TO THE YEARS---Amelia and Arthur Hill, seated, are toasted by their oldest son, Bill, of Campbell, at a surprise buffet given on the occasion of their golden wedding anniversary recently. The Hills, parents of seven, live at 1560 Capri.

Congregational church will hold ground-breaking service Sunday

A special ground-breaking service and celebration will follow the 10 o'clock worship service at the Congregational Church of Campbell, 400 W. Campbell Ave., Sunday, May 23, to commence construction of a $103,000 addition to the church.

Adults and children will receive inflated balloons for the inspection parade and ground-breaking. A construction tractor will be on the site and appropriate ceremonies will be held. A special guitar ensemble will provide music along with a youth chorus.

Anyone in the community is welcome. The entire congregation is advised to wear picnic clothes to church and for the ceremony, as festivities will also include a picnic at Vasona Park at 1 p.m.

Contract for the addition has been awarded to the Warren E. Crinklaw Co., low bidder for the project, and will commence next week.

Gifford Sobey, original architect for the Congregational Church, is architect for this project, which includes a social hall, kitchen addition and renovation, and two classrooms. Matching the existing structure, these new facilities will continue the master plan of the church conceived when the church moved from the present City Hall building in the summer of 1956.

Rev. Anthony Wayne Myers is the minister of the church, Robert Culp is construction committee chairman, and Rich McCullough is chairman of the Board of Trustees. Dr. Corwin Olds, pastor emeritus, was minister when the original move and building was done.

Pops concert presented

The Los Gatos-Saratoga Symphony will climax its season with its annual Pops Concert at the West Valley College Auditorium on Campbell Ave., on Saturday, May 22 at 8:15 p.m.

A repeat performance will be given in the Old Town Theater of Los Gatos on Sunday afternoon, May 23 at 3 p.m.

The community orchestra, sponsored jointly by West Valley College and the Los Gatos-Saratoga Symphony Society, is under the direction of John O'Neill. Concerts are presented free of charge.

Featured soloist will be Susan Cavenagh, cellist, who will play Bruck's "Kol Nidrei". A junior at Leigh High School, Susan has been a member of the Montalvo Chamber Ensemble, and was awarded a "Command Performance" at the recent Music Educator's Solo and Ensemble Festival in San Jose.

Also on the program will be "Outdoor Overture" by Copland, "Peer Gynt Suite" by Grieg, "Masquerade Suite" by Khatchaturian, and selections from "Oliver".

High school concert Fridav

Campbell High School will play host to the Campbell Union High School District's Third Annual District Honor Band Concert, Friday evening at 8 p.m.

Directing the band, which is made up from all schools within the district, will be Dr. Vernon Read of San Jose State College.

The 60 students in the band have been rehearsing under the direction of Gary Kenyon, district superintendent of music and other district instructors since the first part of May.

Some Howdy Dowdy films at school benefit Saturday

The student body and room 13 of Hamilton Elementary School, 480 E. Hamilton Ave., are sponsoring a benefit day for Jesus Salas Hospital Fund on Saturday, May 22 from 11 a.m. to 4 p.m.

The benefit will consist of day-long continuous "funny movies" shown by Ken Caddell. Refreshments will also be available. Jesus, recently here from Mexico, suffered a broken arm and his fellow-classmates are assisting him with expenses.

Caddell says the films he will show will include Howdy Dowdy, W. C. Fields, Budd Abbott & Lou Costello firsts, Joe Louis when he won the world's heavyweight championship, and many old newsreels.

Hamilton School PTA recently installed officers for the fall term. President is Mrs. Addie Cary. Others installed included Mrs. Pat Gonzales, first vice-president; Charles Reed, second vice-president; Mrs. Jan Burham, secretary; Mrs. Joann Camarda, corresponding secretary; Mrs. Ardi Flanagan, treasurer; Mrs. Mary Mosqueda, auditor; Mrs. Shelly Johnson, historian and Bruce Magnuson, parliamentarian.

YWCA announces summer program

Summer program, primarily for girls 10 and older, at the Cambrian Center of the San Jose YWCA will run from June 28 until August 6, and brochures announcing schedule of activities will be available next week at the Center, 4343 Leigh Ave., or interested persons may have them mailed by calling 269-7534. Preregistration is advisable because of group limitations.

Although most of the Cambrian summer program is for girls in the 10 through early teenage bracket, some activities, like dancing, include preschoolers. There are also groups for girls and boys as young as six, and some adult activities.

CHOIR FESTIVAL

First United Methodist Church will hold their annual choir festival Sunday, May 23 at 7 p.m., in the church fellowship hall. Five choirs will participate in the program which will be directed by Mrs. Lawson Herrell, Mrs. Stanley Preshaw and David Blood. Mrs. Joe Gist, Jr., is organist; accompanist is Barbara Tharp. The public is invited to attend.

Late summer wedding

PAUL WAGNER AND KATHRYN BOHLEN

Mr. and Mrs. Edward Bohlen of Belmont have announced the engagement of their daughter, Kathryn Jean, to Paul F. Wagner IV, son of Mr. and Mrs. Paul F. Wagner of Campbell.

The announcement was in the form of a champagne toast made to the young couple at a recent family dinner party.

Miss Bohlen attended Chico State College and is a 1969 graduate of Carlmont High School.

Paul, who graduated from Campbell High School in 1967, is presently attending Chico State and will leave for Marine Officers Candidate School in June 1971.

The wedding will take place in the latter part of the summer.

College holds breakfast for scholarships

The annual spring pancake breakfast at West Valley College will be held Sunday, May 23, from 8 a.m. to 12 p.m. at the food services building on the Saratoga campus.

The breakfast is sponsored by the college chapter of the Faculty Association of California Community Colleges. All proceeds from the breakfast will be used for scholarships for needy students. Last year over $1,000 was raised for this cause.

The Saratoga pool will also be open from 11 a.m. to 2 p.m. for those breakfast participants who would like to swim. Interested swimmers must bring their own suits and towels.

Tickets for the breakfast ($1 per person) may be obtained from any faculty member or from the Office of Community Services, 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58.

Friendship lunch slated at church

Spring Friendship Luncheon sponsored by the Women's Society of Christian Service will be held at Campbell Methodist Church on Thursday, May 27.

Doors will be opened at 11 to view the table decorations and the salad plate luncheon will be served at 12. The musical program will be by Danniebell Hall and the public is invited.

Tickets may be obtained from Clarice Briggs, 248-1166 or Nona Weidman, 378-2902 or at the church office.

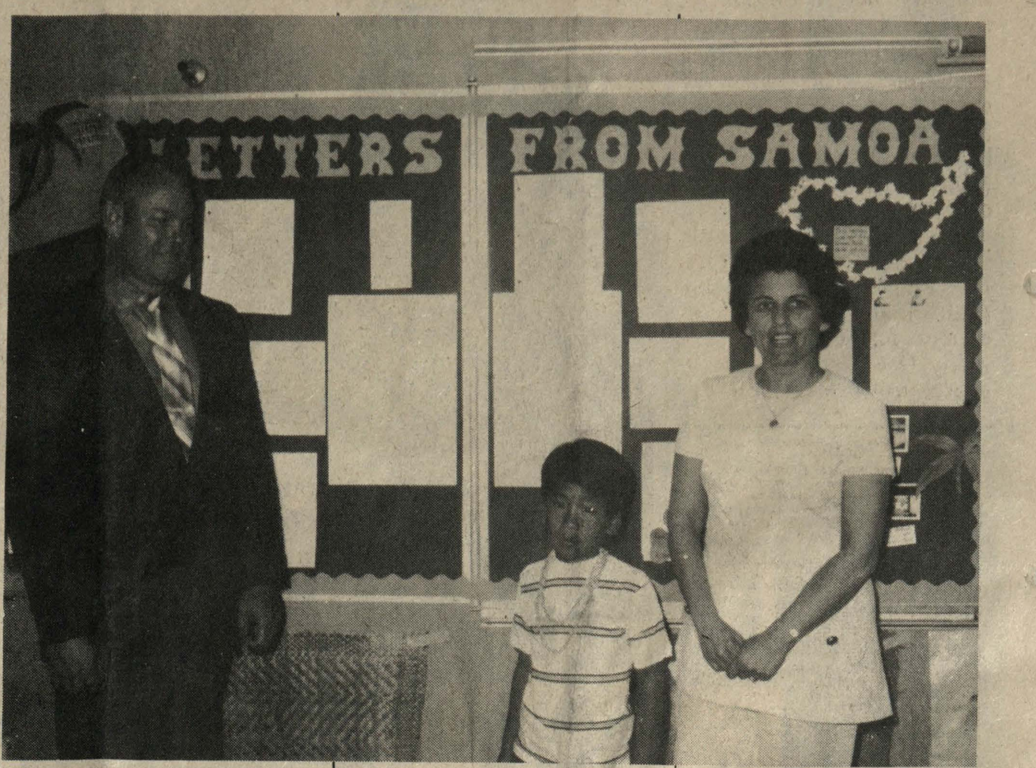
Third graders get a peek at Samoa



SAMOAN FRIENDS---Ron Rydquist, vice-principal of Hazelwood School, Mark Okamoto, third grade student, and Mrs. Marty Payne, third grade teacher, pose in front of the bulletin board showing Samoan words, letters, pictures and necklaces which have been sent by children in an American Samoan School. The items were sent by Rydquist's sister and brother-in-law, Mr. and Mrs. Allan Watson. Watson was formerly director of instruction in the Campbell Union (elementary) School District.

It isn't every third grader that has the experience of exchanging letters with third graders in American Samoa, but those in Marty Payne's class at Hazelwood School have.

Last August, Campbell Union School District's Director of Instruction began a new job as principal in a school in American Samoa.

Allan Watson and his wife Marilyn and family, (Nancy 11, Marc 9, and Jeff 7) had long wanted to experience living in a remote land, and they got their wish--a two year appointment in Pago Pago, American Samoa.

Mrs. Payne, a close friend of the Watsons, thought it would be fun to have her class exchange letters with a Samoan class. The letters were sent to Fia Illoa's third grade, and they answered in November.

However, that teacher and her husband were due to leave February 28, and who should take over the class but Mrs. Watson! So more letters were happily exchanged.

As of this spring, Watson's status changed from Principal to Director of all Federally Funded Programs for the State of American Samoa, and with that job came the opportunity to travel on business. Fortunately, Watson had a conference in Seattle, Washington the week of April 19 and since his dad had a recent eye operation, he flew down to spend a couple of days with them in Felton.

Because he was so close, Mrs. Payne invited him to come in person and show his slides of Samoa to all five third grade classes at Hazelwood.

Students and teachers alike were impressed with the beauty of that South Pacific Island, called Tutuila, where Pago Pago is located.

Watson told of their experience there and how the average 80 temperature was slightly warmer than what he experienced while visiting here!! He returned to Hawaii the following day and flew home to American Samoa the next day.

On April 27 (Hazelwood's Open House Night) a large package arrived from the Watson's with Samoan shell necklaces for everyone in the class, the principal, Anthony Van Laarhoven, the vice-principal, Ron Rydquist, who, incidentally is Mrs. Watson's brother, and the two secretaries, Norma Brown and Joy Gundy. Also, in the package were a tapa cloth for hanging and two woven-reed mats.

In gratitude, Mrs. Payne's class recently sent Mr. and Mrs. Watson and class an American "end of school party" including popcorn, dry mix punch, candy, gum and a box of prunes to let them taste what Santa Clara County is known for.

In the meantime, the class will continue to engage in its new social studies unit entitled "Discovering American Samoa".

All in all, parents, teachers and children alike are having a truly enriching experience in discovering new friends on the other side of the world.

Meades renew vows on anniversary date

On Sunday, May 9, Mr. and Mrs. Ben L. Meade renewed their wedding vows to celebrate their 25th wedding anniversary. The ceremony was held at 2 o'clock at the First Baptist Church of Campbell, conducted by Rev. W. Keith Loyd. Their five children stood with them as they exchanged wedding bands.

The reception was held in the Dolly Corn Fellowship Hall of the church immediately following the ceremony. One hundred and sixty guests greeted the couple.

Following the church reception, a surprise dinner was held in their honor. Hosting were their children, Mrs. Mary Olinger, Beth, Sue, Art and Kevin.

The Meades live at 1231 Monica Lane, San Jose.

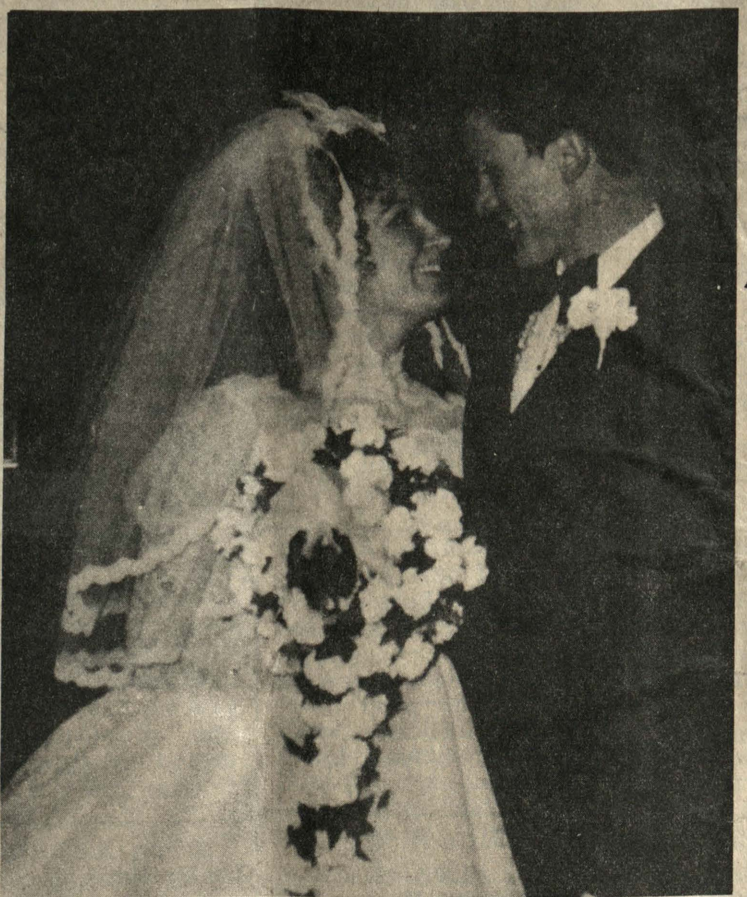
Afternoon candlelight ceremony



Becky Pardoe, daughter of Mr. and Mrs. Thomas Pardoe, 312 Christopher Ave., became the bride of Nick Infantino, son of Mr. and Mrs. Ben Infantino, in an afternoon candlelight ceremony at St. Lucy's Church of Campbell recently.

The double ring ceremony was performed by Father Leonard Bose. Becky was given in marriage by her father. She wore a bouffant gown of chantilly lace. It had a high Victorian neckline and long sleeves accented with a shoulder puff. An apron effect over the front skirt flowed into a chapel train of multiple tiers of lace. Sequins accented the bodice and ruffle at the wrists. The veil of illusion was secured by a petal head-piece of lace and pearls. Her bouquet of baby white carnations held a purple orchid.

Marlene Straub, maid of honor, wore a floor length gown of dark purple velvet and carried dark and light purple mums. Bridesmaids were Janis Luhdroff, Barbara Dye, Hope Hernandez, Gloria Pardoe and Cindy Infantino, who were similarly gowned. Flower girls were Stephanine McCallum and Christy Kay Davis. Ring bearer was Timmy O'Connell.

Tony Infantino, brother of the groom, was best man. Guests were seated by Tom Pardoe, Terry McCallum, Roger Higby, Pat Brown and Gary De Questo.

Mrs. Thomas Pardoe wore a hot pink chiffon with sequins with matching accessories. Her corsage was of salmon pink carnations. Mrs. Ben Infantino, mother of the groom, wore a cocoa brown two piece dress with matching accessories. Her corsage was of yellow carnations.

Following the ceremony, a reception was held at First United Methodist Church, where the brides friends, Sherri Davis, Terry Button and Annette Gonzales served quests.

The newlyweds are at home in San Jose.

Garden club selects their mother of year

Two Campbell Garden Club members were honored at a luncheon recently as "Mother of the Year."

Mrs. Virginia Kolze of Carlyn Ave., and Mrs. Lee Aversente of Sunnyoaks Ave. were honored by the club for their many activities.

Mrs. Kolze, a member of the club for 20 years, has served the club in various capacities, including vice-president.

Mrs. Aversente served as president from 1960 to 1962. She has been a club member for 14 years. Her service includes that of counselor for seven junior garden clubs sponsored by the Garden Club, which is a member of California Garden Clubs, Inc.

Committee members responsible for the lunch include Mrs. Mary La Rocca, Mrs. Mildred Coughlin, Mrs. Jane Fursh and Mrs. Marian Blizzard.

AQUAMAIDS

Two Campbell girls are members of the Santa Clara Aquamaids champion swimming group who will host the 1971 U.S. Pan-American Games Synchronized Swimming Trials, Saturday and Sunday, May 29 and 30.

Kathy Graham and Cindy Warren are participants in the Aquamaids' activities. Tickets for the Sunday event can be obtained by calling Jack Warren, 378-8931.

Pops concert, choirs, madrigals, bands in college arts festival

A variety of musical events will be staged at West Valley College's Campbell campus during the next few weeks as part of the college's sixth annual Fine Arts Festival.

On Saturday, May 22 at 8 p.m. the Los Gatos-Saratoga Symphony, under the direction of John O'Neill, will perform in its annual "pops" concert. The orchestra will play from such composers as Copland, Nidrei, Grieg, and Khatchaturian in addition to selections from the musical "Oliver".

The college Concert Choir and Madrigal Singers will perform in concert on May 25 at 8 p.m. The 70-member Concert Choir, under the direction of Miss Kathryn Huss, will perform works by Vivaldi, Brahms, and Gershwin as well as folk songs, spirituals and selections from musical shows.

The Madrigal Singers, an acapella group under the direction of Ken Jewell, will perform compositions by Handel, Copland, Vaughan Williams, Thomas Morley and Henry Purcell.

Two student bands will play a twin bill May 27 at 8:15 p.m. when the Symphonic Band does works of Handel, Persichetti, Reed and Gossec while the Jazz Ensemble will play sounds from swing to rock.

The sixth annual Fine Arts Festival will come to a close on May 28 at 8 p.m. when the West Valley College Symphony Orchestra, under the baton of acting director Gilda Mazzanti, performs selections from Beethoven, Wagner and Berlioz.

No tickets will be required for any of the events which will be held in the Campbell Campus auditorium, corner of Winchester Blvd. and Campbell Ave.

Further information on any of the events may be obtained by calling the Office of Community Services at 379-1733, ext. 58.

ON DISPLAY---El Gatito Gallery is featuring a series of recent paintings by Campbell artist Bernita Dodge throughout the month of May. Landscapes and worded paintings are in bright bold colors and have circular motifs on either regular or shaped canvases. Title of the show is "About Round-About". Mrs. Dodge's show will continue through May 30 at the gallery located at 123 W. Main, Los Gatos. Hours are 10 to 5 Tuesday through Sunday.

Wedding date set

A June wedding is planned by Gwynn Clark and Duane Peterson.

Gwynn, the daughter of Mr. and Mrs. Marvin Clark of Saratoga, attended Campbell and Westmont High School and West Valley College. She is currently working in the public relations department of Bestline Products, Inc.

Her fiance, the son of Mr. and Mrs. Owen Peterson of Cherry Lane, served in the U.S. Army in Vietnam and is currently a senior at Humboldt State College. He is a 1964 graduate of Campbell High School.

Their engagement was announced at an Easter Sunday buffet supper at the Clark's with about 70 friends and relatives present.

The wedding will be held June 20 in Prince of Peace Lutheran Church in Saratoga.

LOOKING FOR VICTORY— Del Mar's varsity tennis team is seeking its second straight league championship with 111 wins and 10 losses to date. Left to right are Hal Down, Ed Fischer, Craig Parton, Dave Heckley, John Mosher, Ken Hamilton, Paul Nalty, Rory Federico and Coach Ted Boyett. Not pictured is Tom Heckley.

Del Mar tennis team seeks wins

Del Mar High School's tennis team, led by undefeated number one man Rory Federico, is seeking it's second straight league championship, following recent wins. Federico, a freshman, is a ranked player in northern California. Ed Fischer, a sophomore, is also undefeated.

Doubles players for the Dons are Dave Heckley and Hal Downs, whose combined record is 25-0. Senior Ken Hamilton suffered an injury and is unable to play. He and Paul Nalty are the only seniors on the team.

The Del Mar team is part of the West Valley Athletic League which consists of Saratoga, Los Gatos, Campbell, Camden, Blackford, Branham, Leigh, Westmont, Prospect and Del Mar High Schools. They play each Tuesday and Wednesday.

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Governing Board of the WEST VALLEY JOINT COMMUNITY COLLEGE DISTRICT, 44 East Latimer Avenue, Campbell, California, hereby calls for sealed proposals for the furnishing of all labor, materials, transportation and services, including all utilities and related site work required for the construction of:

BID # 27-7071
ADDITION TO
FRUITVALE AVENUE PARKING LOT NO. 1
WEST VALLEY COLLEGE,
SARATOGA CAMPUS

All proposals must be on a lump sum basis. Segregated proposals will not be accepted.

Bids will be received by the Governing Board of Trustees at 44 East Latimer Avenue, Campbell, California 95008, on June 15, 1971, at 2:00 P.M., Pacific Standard Time. Proposals received after this time will be rejected and returned unopened.

Drawings and specifications may be examined at the Architect's offices at:

Higgins & Root, Associates
400 Blossom Hill Road
Los Gatos, California
and
Reid & Tarics Associates
1019 Market Street
San Francisco, California

Bonafide bidders may obtain drawings and specifications at the office of the Architects in accord with the Instructions to Bidders. Only one set of bidding documents will be released to each bidder. Extra sets may be secured for an additional deposit for each set requested.

The Contractor and all subcontractors under him must pay all laborers, workmen and mechanics on said work, or any part thereof, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for all legal holiday and overtime work, for work of a similar nature in the locality in which the work is performed, to wit: said College District, which per diem wages shall not be less than the stipulated rates contained in a schedule thereof which has been ascertained and determined by said Board and which is now on file in the office of said Board, and which said general prevailing rate of per diem wages as hereinabove referred to and adopted by each craft or type of workman or mechanic needed to execute this contract, is by reference incorporated and specified herein and made a part hereof.

By submission of a proposal, the bidder agrees that, if awarded the contract, the bidder has read the Affirmative Action Program, which is included as part of the contract documents, and will comply with all requirements stated therein.

Each Bid Proposal shall be accompanied by a Bid Bond, duly executed by the bidder as principal and corporation authorized to do business in the State of California as surety naming the West Valley Joint Community College District as obligee, or by a cashier's check or certified check, certified without qualification, drawn on a solvent bank of the State of California, in the amount of 10% of the total bid submitted and made payable to the West Valley Joint Community College District.

Should the party or parties to whom the contract should be awarded fail to enter into the contract after the award, and to file the required bonds, the proceeds of said certified or cashier's check or the amount paid by the bidder or his surety pursuant to the terms of said Bid Bond, either voluntarily or pursuant to the judgment rendered by the court in any action brought thereon, will be retained by said College District as agreed, and liquidated damages.

Time shall be the essence of this agreement. Should said work not be completed within the time stipulated on the Bid Proposal, there will be deducted from the final payment the sum of One Hundred Fifty and no/100 ($150.00) Dollars per day as liquidated damages, but not as a penalty, for each days delay after the expiration of such period until the final physical completion of the work and its delivery to the Owner.

The Board reserves the right to reject any or all bids, or any or all items or alternate, or propositions of such bids, or to waive all irregularities.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Twenty-Four Thousand Dollars ($24,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, escrow number 149513. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Two Thousand Four Hundred Dollars ($2,400.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that May 19, 1971, at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., May 19, 1971, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on April 27, 1971, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese
NOES: Supervisors: None

A STORY OF THE INTEGRATION, WITH BUSING

One time in the distant past, in a great and wonderful land, there lived two different kinds of people. That is, they LOOKED different, because they were different colors, they were really alike under the skin.

One kind of people made the rules, they were called the "Ins". The Ins decreed that the rules were equitable and they insisted that ALL the people obey the rules. "Support law and order" they cried, whenever their authority was challenged.

Now, the "Outs" thought that some of the rules were unfair, especially the rules that the Ins had established with respect to schooling. "Separate, but Equal" said the Ins. "That's a crock" said the Outs. 'If they're separate, how can they possibly be equal?"

Nine elderly gentlemen, known in those days as "The Nine Elderly Gentlemen" pondered the problem and rendered a decision that the schools must be integrated; that is, that the children should go to schools where the people of both colors were in attendance. That way they could get to know one another better. Then --- many years later, they rendered another decision; a form of transportation known in those days as "busing" should be used to transport the children back and forth from schools in such a manner so as to achieve the aforementioned "integration".

It just so happened that there were both bright and dull people among both the Ins and the Outs. The brights said "Yes, it can be done by busing". The dulls said "It's impossible, it'll never work, it's never been done before."

One of the medium brights said "Why don't we try it?" He made a model in the form of a puzzle and offered it to the people so they could try out their theories on busing as a solution to school integration.

A strange thing happened: The only ones who were able to solve it were the ones who WANTED to solve it. Those who didn't want to solve it kept finding reasons why it couldn't be done.

Those who solved it, solved it and then went back to their daily tasks. The children were bused, and the schools were integrated. Those who couldn't solve it were so busy trying to prove it couldn't be done that they didn't bother anyone, and so didn't interfere.

Eventually the children of the Ins and Outs came to know one another well enough that the tensions were relaxed and even the old-fashioned busing was no longer necessary. The children walked to school.

And that's how the Hawaiian Islands came to be known as "The Melting Pot of the World".

SMALL BUSINESSES

To the Editor:

At last the small businessman has a week of his own and by George, George, he deserves it. Independent business people are probably the hardest working, lowest paid, super-taxed creatures on our planet--no 35 hour work week there. In my work with businesses, I've come to the conclusion that without this core of vitally alive, risk-taking individualists in the market place, a community (with all the good connotations that includes) probably could not exist.

Hats off to each businessman who truly serves the Campbell Community, and may Campbell be known as the small city that appreciates its small businesses.

Cordially
Daniel Knowles
Small Business Councelor

OPPOSES LEAGUE

Dear Editor:

The attached letter has been forwarded to the City Council of the City of Campbell. The public should be made aware of the position which the California League of Cities has taken regarding fire fighters and policemen. Campbell taxpayers money goes to support the League of Cities.

Sincerely,
Gerald A. Eller, President, Local 1939.
Jean Murdock, Vice-President, Local 1939.

Gentlemen of the Council:

State Senate Bill 333 authored by Senator Ralph C. Dills has not come out of committee due primarily to the position taken by the California League of Cities.

Senate Bill 333 would have provided for binding arbitration in cases of labor disputes between public agencies and their employees.

This bill is necessary to eliminate strikes by police and fire fighters throughout the State of California. Without this bill, police and fire fighters have no alternatives when dealing with jurisdictions who refuse to meet and confer in good faith.

The League of Cities, of which the City of Campbell is a member, has taken a position opposing the above legislation. In so doing, the League has opted for STRIKES by police and fire fighters instead of arbitration.

This position is deplorable as it will force strikes with the resultant hardships on employer and employee while adding to the property losses of our citizens including possible loss of life.

Does the City of Campbell through its Council support the League's position? If so, the Fire Fighters of the City of Campbell request a reversal of this position. We also request that a letter be sent to the League of Cities deploring the stand taken by that organization.

Taxpayers dollars should not be used to support an organization which advocates strikes by fire fighters and policemen.

We do not want strikes by fire fighters and police in this state. Only enlightened legislation to resolve labor disputes can still the unrest which permeates many jurisdictions throughout California.

It is a disservice to the citizens of Campbell and of the rest of the State to use their money to force their fire fighters and policemen to a position of illegal strikes, because no other recourse has been left open to them.

We wish to make this letter a portion of the record of the City Council, and will be glad to appear before the Council to do so.

Respectfully,
Gerald A. Eller, President
Jean Murdock, Vice-President, Campbell Fire Fighters Local 1939, AFL-CIO.

RECALL FAILURE

Dear George,

Here is the letter that George Baker wrote to submit to you and brought to the Recall Committee for our authorization. The Recall Committee felt that Mr. Baker has expressed our feelings and opinions and that anything else would be superfluous, therefore, we wish to attach our name.

Sincerely,
W. Dale Hume
Chairman of the Recall Committee.

Dear Mr. Vierhus:

This letter is to inform you and all interested readers of the final outcome of the effort to recall Mrs. Graham-Armstrong and Mr. Steinberg, trustees for the Campbell Union School District (elementary), and to comment upon that effort.

The required number of valid signatures to recall each trustee was 5,217. The total number of signatures counted by the Registrar of Voters was 3,123 for Mr. Steinberg and 3,139 for Mrs. Graham-Armstrong. However, only 1,929 and 1,908 signatures respectively were declared valid. The breakdown of the signatures declared not valid for Mrs. Graham-Armstrong is as follows:

1-Not voter's signature; 2-Withdrawn by written request; 5-Printed signature; 5-Registered different address; 8-Duplicate signature; 58-Voter not registered; 62-Date omitted; or person signed petition after circulator signed as petition carrier; 1,090-No precinct indicated; 1,231 Total disqualified names.

It is assumed that the breakdown for Mr. Steinberg would be very similar to the above.

At the time of filing the preliminary petitions, it was thought that there were more signatures than there in fact were, and that the lack of a precinct indication would not be a disqualifying factor. As the true situation became known, it was decided to not go ahead with the supplemental petition as provided for by law.

Although the recall movement did not achieve all of its objectives, we think it helped to make many people aware of various factors concerning our school district. Hopefully, this awareness will serve to benefit the District.

Do we have any regrets? Yes. The basic one of course is that we didn't get enough signatures. Another one is that we didn't add precinct numbers to over 1,000 names! A third is that thousands of people were never personally contacted by a petition carrier. As you pointed out two weeks ago in this newspaper, there was no lack of people willing to sign the petitions, but there was a deficiency in the manpower to circulate them.

Finally, we would like to take this opportunity to thank you, the recall workers, the petition signers, and everyone who supported the effort.

Geroge Baker.

THANKS COMMUNITY

Dear George,

We would like to take the liberty of using your column to thank the many people of the community who attended our 14th Annual Mother's Day Pancake Breakfast.

This year we had a record turnout of 3104 people.

The cooperation of the Campbell School District in making the facilities available and the patience of those who had to stand in line is to be commended.

It is this kind of support which makes us proud to be part of the Campbell Community.

We would also like to thank the Press for the excellent publicity which helped to stimulate interest.

Campbell Little League
Board of Directors.

NEIGHBORHOOD 17

by Boots Lansford

Final meeting of the year was held this week by Neighborhood 17 at Oak Meadow Park in Los Gatos. The smell of jungle stew simmering over a charcoal fire and prepared by Service Team Members permeated the warm morning air as a coffee maker, plugged into the park electric outlet, merrily perked away.

Brownie Leaders, each bringing a salad dish for the annual luncheon, and Junior Scout Leaders, bringing the dessert dish, tripped happily in with their pre-school children and visiting parents from their various troops.

The small children played on the near-by playground swings, slides, merry-go-round, fire engine and airplane, as mothers chatted with old friends from the Neighborhood Association. Special guest was Mrs. W. F. Cole, former Neighborhood Chairman.

More than 30 ladies laughed as they contemplated the memories of Girl Scouting the past year and made plans for new ideas in '71-72. A short thank-you ceremony preceded lunch. Service Team Members recognized Leaders especially, as the most important people in Girl Scouting.

"You are truly VIP," said Mrs. Herman Lansford, guest speaker for the event. Mrs. Lansford was given a bright red living bush to plant in her garden as a thank-you from the Neighborhood for her service in various capacities of the program.

Mrs. R. G. Faler, service team member, was presented with a tree to plant in her new home in Scotts Valley as a farewell appreciation gift. Mrs. Richard Crapo was surprised with a gag gift of an ice pack for her head as a way of thanking her for being such an understanding and helpful Neighborhood Chairman this past year and taking all the headaches away from the leaders.

A feeling of comradeship bound the group as they shared experiences they each had with Brownie Scouts and Junior Scouts in '70-71. All ate heartily and parted company until next September with a wish for each other to have a happy and restful summer.

NEIGHBOR 17

Troop 1018 recently earned their Troop Camper badge and Outdoor Cook badge on a two night trip to Uvas Canyon County Park.

Highlights of the trip were a hike on one of the nature trails, and a sing-a-long with Troop 603 from St. Lucy's.

Much fun was had by all even with getting rained out early Sunday morning. The troop was chaperoned by Mrs. Peggy Russell, co-leader, and Mrs. Helen DeGuc, troop mother. Due to a back injury, Mrs. Casteel, troop leader, disappointedly could not attend.

But coming through for Mrs. Casteel were Debbie Nunoz and Christy Casteel, Freshmen from Campbell High who unselfishly devoted their weekend for the camp-out. Helping drive for the trip were Mr. and Mrs. E.L. Hendricks, Mr. and Mrs. Joe Wolf, and Ken Casteel.

PICNIC

The troop plans a picnic to Roaring Camp Saturday, May 15. A two hour steam train ride will be a first for many of the girls. It will all be free due to the troops great effort in selling Girl Scout Cookies. Troop 1018, Rosemary School sold the most cookies of any troop in Neighborhood 17.

Taking top honors was Karen Wolf who sold 23 cases. Coming in second was Sarah Dance. All of the girls did a great job.

Closing their busy year in scouting, the girls are now planning Court of Awards to be held May 24. Many thanks go to those parents who have helped the troop all year, and they are Mrs. Ann Pinkham, Mrs. Lorrie Ingram, Mrs. Evelyn Wolf, Mrs. Doraldean Hull, Mrs. Jeanette Hendricks, Mrs. Leona Noble, Mrs. Crystal Millich, Mrs. Dance, and Mrs. Helen DeGuc.

BROWNIES

Brownie Scout Troop 158 from Dover School invited Brownie Troop 465 from Dover, also, to a recent planning meeting for their May Ice Skating outing. Each troop worked diligently on the Cookie Sale this year so that the profits made could pay for the venture.

Mrs. Richard Sheehan, cookie chairman for Troop 465 and Mrs. Robert Hover, cookie chairman for Troop 158 were on hand to report the excellent results of the sale.

Each troop shared a game a song, and refreshments. They all enjoyed special guest, Sue Batcheller, senior scout from Leigh High School who taught new Brownie songs and played her guitar.

Members of Troop 158 are Lisa Aldrete, Allison Baird, Juna Caddo, Debbie Eberly, Cynthia Hackett, Denise Hill, Patti Hober, Rebecca Leicester, Kim Long, Terri Puentes, Susan Russell, Marian Sloan, Brooks Thompson, Judy Wilburn, Carla Pusateri and Carol Lehane. Leaders are Mrs. Robert Wilburn and Mrs. Joseph Hill.

Troop 465 members are Kathy Bausano, Stephanie Benner, Cathy Callan, Darlene DePalmo, Dawn Downey, Terry Falk, Debbie Kais, Suzanne Pope, Lisa Pressler, Tracy Riccitello, Mary Sheean, Debbie Smith, Monique Soltan, Angela Thrappas, Carrie Vaianisi and Melinda Yee.

Leaders, Mrs. Daniel Callan and Mrs. Eldon Falk, announced that the June meeting will round off the year of fun with a Fly-up ceremony. All third grade girls will then go on into Junior Girl Scouting.

NARCOTICS DIRECTOR

Sheriff James M. Geary has announced the appointment of Sgt. Stanley E. Shaver to the position of Director of the Santa Clara County Narcotics Bureau.

Shaver will direct a project that creates a county-wide law enforcement task force headed by a Law Enforcement Drug Council comprised of the chief county and municipal law enforcement officials.

The purpose of the Council will be to formulate policy and to cooperatively guide the Santa Clara County Narcotics Bureau.

CHICO GRADS

Nearly 1200 Chico State College students are candidates for bachelors and masters degrees in spring commencement exercises scheduled for 7 p.m. June 5 on College Field.

Degree candidates from this area include:

James A. Gilbert, art; Russel J. Long, social welfare; Paulette F. Reasor, speech; and Kevin J. Wheeler, P.E.

ST. LUCY'S

YOUTH COUNCIL REPORTS

YOUTH COUNCIL DOES IT AGAIN

by Mary Jackson

The Youth Council of St. Lucy's parish held another successful activity on May 8 and 9. Their Flea Market netted and deposited $233.54 for the Youth Council.

Various clubs and committees had booths at the flea market. A few of the clubs were the Outreach Committee, the Confraternity of Christian Doctrine and the Men's Club. Private individuals also were able to have booths, and many did.

The Art Festival, which was a Youth Council booth, was successful. The art displayed was of a great variety; including a $1000 "Tin Man" made of welded steel and a beautiful $1000 painting.

Other objects de'arte were macrame', decoupage', sketches, paintings, and some ceramics.

The Youth Council would like to thank everyone who had a booth or who helped in any way. Both were deeply appreciated.

BRANHAM HIGH

By Roberta George and Mary Watson

The class of '72 will have "On the Threshold of a Dream" as their junior prom theme May 22 from 9 p.m. to midnight in the Bruin cafetorium.

This theme, submitted by Dave Gedman, was chosen by junior class officers after receiving many suggestions.

"The prom is now in the planning stages and all decorations will coincide with the Camelot theme," explained Theresa Ryneweitz, prom chairman.

"Some of the proposed decorations are an outside garden, a drawbridge entrance and armed Knights," stated Theresa.

"Contrary to everyone's belief that an on campus prom is lousy, it seems like this one is going to be Branhams' best," she concluded.

The seniors have their Senior Ball, the juniors have their Junior Prom while the underclassmen look forward to their class parties!

Branham's freshmen and sophomores will each hold their class parties this Friday, May 21.

The freshmen, however, will stage their party at Vasona Park as a barbeque, making it the first time in the school's history that the traditional event has been held off campus.

The sophomore class will remain at the school from 4-8 p.m. for an evening of recreation, food and dancing. Miniature golf is planned for after the event.

"The party was planned so everyone can participate," stated Mrs. Sharon Wilson, BHS, sophomore counselor, "there will be a lot ot things to do and it should be a lot of fun."

Mrs. Wilson added that the class "was very successful in money-making projects." They sold pens and made $50 selling posters. They also came in first place in the Home and School Club and Campbell Soup drives.

* * *

"Springtime" is the time for concerts and Branham's Music Department will present theirs Tuesday, May 18 at 8 p.m. in the Bruin Cafetorium.

Today the BHS Booster Club is holding a stamp drive in efforts to raise money for the Athletic Department. They will be collecting both green and blue stamps.

Resolution urges college funding

A state senate bill to put a $185 million bond issue for statewide community college construction on the June 1972 primary ballot received added support recently when trustees of West Valley College adopted a resolution urging local legislators to support SB 168, authored by Senator Rodda of Sacramento.

According to James P. Hardy, college president, the measure includes $30 million trimmed by the governor from his budget for 1971-72. Hardy told trustees if the legislature puts this money back into the state budget, it would be trimmed from the bond measure. The $30 million is needed for construction of approved statewide community college projects for 1971-72.

County department warns about swindles for lonely consumer

Lonely women are being warned by the County Department of Weights, Measures and Consumer Affairs to beware of two swindles which are victimizing many single women.

One is a dance studio racket and the other is a computer dating swindle.

Describing the dance racket, Robert Horger, director of the County department, explained, "It is a rehash of the old 'lonely hearts' lure. It finds its prey mostly among middle aged and older women. In many cases they are recent widows who are just learning to cope with their new loneliness."

Horger said the mode of operation is to sign up the victim for a series of dance lessons.

Suddenly the instructor starts telling the student, who can be either a man or a woman, that he or she has "unusual talent." With proper lessons the student supposedly could enter a regional contest.

All too often, according to Horger, the student takes the "bait" and signs a contract for a long series of expensive lessons.

Next comes either more lessons or the news that there is "a big contest coming" and that the student should enter. The contest is always out of the area, which requires that the student lay out money both for her travel expenses and for her instructor, of course.

Horger said that the process of taking additional lessons is not only a costly experience for the victim, but frequently illegal.

"There have been instances," he said, "where three or four contracts for dance lessons have been allowed to run concurrently."

This is where his Consumer Protection unit hopes to take some effective action. Horger explained that California law prohibits dance studios from signing a customer to one contract or a series where the total cost will be over $2,500.

Horger also described some computer dating schemes as "an equally insidious method of separating the citizen from his money".

He said this is because the customer often is too embarrassed to admit that he or she turned to a computer to find dates.

According to Horger's investigators, many times customers dealing with unscrupulous computer dating services have found that "few, if any, prospective mates are provided by means of the once-a-month listing provided" to them.

They report that one ingenious operator has been known to masquerade as "the date" and appear at the victim's home.

Horger warned, "Dissatisfaction with the service, if it does not measure up to the glowing promises of the seller, is not grounds for canceling the time payment contract. Usually that binding document has been sold to a finance company almost before the signatures were dry."

Horger urged anyone knowing of either swindle to contact his Consumers Affairs-Unit at 299-2105. He promised that a prompt, confidential investigation would be made and the case referred to the District Attorney's Office if sufficient evidence is obtained.

Darting Around
with
Tom Carroll

The Spring Season of the Northern California Darts Assn. is fast drawing to a close. Next week's games will be the last of the season. During the last couple of weeks, we've had the Ladies Singles Championship, The Mixed Doubles Championship and a joint Captain's Meeting to nominate candidates to make up the slate of officers for next season.

President Tom Lawrence, who plays for Marvin's in Oakland, is running unopposed for another term.

Vice-president Rick Miller of Banbury Clock I, San Jose, is running against Rich Curtaz of Sam's Vineyard and Bill McCormack of the Bull & Bush, both in San Francisco in his bid for a second term.

Chuck Prentice of the English Pub III is opposing incumbent Russ Carleton of the Blind Lemon in Berkeley, for the office of Treasurer.

The present Competition Secretary, Bob Hughes, declined the nomination for another term. That office is being sought by Tom Carroll, Gaslighter Theater, Campbell and Bob Lyons of the Steppenwolf in Berkeley.

SCHEDULE

Friday night, May 21, will see the Executive Council meeting at the Black Watch in Los Gatos. The President's Invitational Tournament will also be this weekend at the Blind Lemon in Berkeley.

Participants in this event are the members of the Executive Council, committee chairmen, committee members and others deemed by the president to have worked towards the furtherance of the sport during the last year.

June 6 and 13 will be the divisional playoffs and the championship matches. The locations for these matches can not be determined until the season's play has been completed.

The annual meeting, picnic and election of officers will be held June 19 in the East Bay Regional Park. As you already know the NCDA-SCDA All-Star Match will be held on the 4th of July weekend.

LADIES SINGLES

Only 15 gals appeared to do battle at the Halfway Club in San Leandro. Ten of them were from the South Bay and the other five from the East Bay. Wha' hoppen, San Francisco?

By teams Lancashire Lad IV had the best representation with six players. The next largest group was Steppenwolf III of Berkeley with three players. Other teams with one player each were: Blind Lemon II, Berkeley; Courtyard II, Hayward; Primrose Lanes II, Burlingame; Harold's Club, Redwood City; Gaslighter Theater II and Lancashire Lad I.

The match for the title was between Bobbie Lindsay of Lancashire Lad I and Jane Macredes of Lancashire Lad IV. The match went the full three games with Bobbie Lindsay emerging victorious.

To reach the final match, Bobbie had to defeat last year's runner-up, Pat Jansson of the Primrose Lanes II. Jane's opponent in the semifinal was Margaret Cain of Blind Lemon II.

An interesting side-light to this match is the fact that besides Jane, there were three other gals entered that are related to the NCDA Doubles Champions, Ben and Jim Macredes. They are Fran Sprecher, Jane's sister, and two nieces, Dona Condon and Darla Nelson. All of them play for Lancashire Lad IV.

Gubser announces military exams

Congressman Charles S. Gubser (R-Calif.) has announced that the Civil Service examination to select his appointees to the U.S. military academies will be held on Tuesday, July 6, 1971.

Gubser announced that based upon the examination, vacancies will be filled at the United States Military Academy at West Point, the Air Force Academy at Colorado Springs, and the Naval Academy at Annapolis. In addition, he will nominate ten young men to compete for openings in the Merchant Marine Academy at Kings Point, N. Y.

To be eligible for appointment, a candidate must be at least 17 years of age on July 1, 1972, but must not have reached the age of 22. Aside from the age requirements, any young man who is a citizen of the United States, unmarried, in good physical condition, and who has graduated from a secondary school, has the basic qualifications necessary for appointment.

Congressman Gubser's appointments are restricted by law to young men who are bona fide residents of the Tenth Congressional District, including northern, western and southern Santa Clara County and all of San Benito County.

Applications are now being accepted and MUST be received by June 1, 1971. Young men interested in competing in the July examination can secure the proper application form by writing to: CONGRESSMAN CHARLES S. GUBSER, 2373 Rayburn House Office Building, Washington, D.C. 20515.

Successful applicants will enter the academies on July 1, 1972.

4-H CLUB MEMBERS

CAMPBELL 4-H

by Cindy Peterson

The Campbell 4-H Club had their community meeting on May 7, at Coventry School.

They had a guest speaker from Ames Research Center, who gave a talk about NASA and what it's doing to help save the earth's resources. We received $12 for the bottles we took to the recycling center. The booth we had at the Prospect High School flea market took in $51.40.

There were two demonstrations. John Anderson and Mark Smith did a demonstration on how to assemble an extension cord. Roxanne Smith, Becky Smith, and Caprice Tantillo demonstrated three ways to lengthen a hem.

This was mom's night and the girls enrolled in the clothing projects put on a fashion show modeling the clothes they have made this year in 4-H. The next meeting will be June 6. It will be a project tour and picnic.

I COULD'VE DANCED---The girls' chorus at Campbell Elementary School will be one of five musical groups of students who will present the school's annual spring concert, Thursday, May 20 in the school cafetorium. The musical program includes two choruses, the school band, and orchestra and a beginning ensemble. The program will follow a Home and School Club meeting at 7 p.m. Here the girls rehearse "I Could've Danced All Night", one of their selections.

Final musical program at Campbell

Following a 7 p.m. Home and School Club meeting, parents and friends of Campbell Elementary School students will enjoy the school's annual spring concert, tomorrow, Thursday, in the school cafetorium on Cherry Lane.

Band, orchestra and beginning instrumental ensemble will be directed by Ed Tonini. The school band will play Courtly Festival, The Shadow of Your Smile, Hello Dolly, Moonlight Serenade and At a Georgia Camp Meeting.

The orchestra selections are Theme From Gunsmoke, More, Strauss in 3/4 Time, Raindrops Keep Fallin', and the Coronation March.

The ensemble will play Aura Lee, Streets of Laredo, Join the Parade and The Crusaders.

Also on the program are two vocal groups, a sixth grade mixed chorus and a seventh and eighth grade girls' chorus. The sixth grade chorus will sing selections from the "Wizard of Oz", including Over the Rainbow, Ding Dong, the Witch is Dead, Lullaby League and Lollypop Guild, If I Only Had a Brain, We're Off to See the Wizard, Optimistic Voices, The Merry Old Land of Oz and Reprise from Over the Rainbow. The director is Mrs. Eleanor Scherer. Accompanist is Mrs. Diane Zulliger.

The girls' chorus will sing On a Clear Day, What the World Needs Now, A Time For Us, Rain in Spain and I Could Have Danced All Night.. Carol Eason will direct; accompanist is Mrs. Corine Bush.

This is the final musical program of the school year.

Benson's Campbell Cleaners marks 33rd anniversary in community

Benson's Campbell Cleaners this month mark the fourth year of operation in their large, modern plant at 570 E. Campbell Ave., and the 33rd year they have been in business in Campbell.

The story of Benson's Cleaners is a parallel to the story of the growth and development of Campbell from a semi-rural community to an urbanized area.

The Benson story begins on an auspicious day in California history. Lowell and "Skipper" Benson opened their first cleaning plant here on Feb. 18, 1938, on the same day that the World's Fair opened on Treasure Island in San Francisco Bay.

The business grew steadily, and in 1947, they were forced to expand, moving to the old post office building adjacent to the Country Women's Club. It was at this time that the Bensons installed the newest dry cleaning equipment at the time. At that time, Campbell was without a local bank, compared to eight in operation today.

During the years, both Lowell and his wife "Skipper" have constantly taken an active part in community affairs. Among other groups, Benson has been a long-time member of the Campbell Kiwanis Club, serving as District Governor until 1967.

Carnival helps Girl Scout trip

A fun-loaded carnival is being held this coming Saturday, May 22nd at Rosemary School, Hamilton Ave., from 11 a.m. to 5 p.m.

Two Cadette (girl scout) troops have merged to plan this money raising event to sponsor their Wyoming trip this coming summer. They have been working throughout the year to raise funds, but this is the big event for the year, and a good time is planned for all ages.

The carnival will feature eight different game booths including a sponge throw, make-up booth, bumper cars, and many others all loaded with prizes. There will also be a cake walk, arts and crafts, and white elephant booths.

Hot dogs, pop, sno-cones, popcorn, coffee and cake will be served all day.

WHO'S THE DOG?---Mr. and Mrs. Jim Kacher "clown around" for Forest Hill Elementary School students, to advertise the coming of the school carnival on Saturday, May 22 from 1 p.m. to 4 p.m. Students are Jamie Villarreal, Steve Moore, Jim, Jerry and Joey Kocher, Jeanneise Villarreal and Kathy Letich. The carnival will feature a pie-eating contest with radios for prizes and a wet-sponge contest with teachers taking turns as targets. Co-chairmen are Mrs. Jean Villarreal and Mrs. Anne Moore.

ON CLEVELAND

Navy Fireman Dennis J. Ireton, of 3931 Via Salice, Campbell, is aboard the amphibious landing ship USS Cleveland, which participated in Operation "Keystone Robin" which carried more than 1,600 Marines and 724,000 cubic feet of equipment out of Vietnam during the sixth increment of troop redeployment.

SAILS FOR HOME

Navy Fireman Donald R. Tolbert, son of Mr. and Mrs. Ross Tolbert of 908 Bucknam, Campbell, has departed Vietnamese waters aboard the hospital ship USS Sanctuary for Alameda, Calif.

The Sanctuary has completed a four-year tour off the coast of the Republic of Vietnam and is scheduled for retirement.

More than 23,000 patients, including American, Allied Forces and civilians have been treated aboard the 26-year old ship since April 1967. Helicopter landings during the same period exceeded 18,000.

THE STRONGEST GIRL— According to her dad, Paul Rossetti, his daughter Patrice, granddaughter of Carlo Di Leonardo of Campbell, is the strongest girl in the world. He did admit, however, that she was holding up a basket full of empty calories. The performance is to call attention to a nutrion seminar for which Rossetti is master of ceremonies at San Jose Civic Auditorium on Sunday. The seminar, which begins at 12:30 p.m. will include speakers on hypoglycemia, organic gardening, ecology and general health. For information, call 867-4013.

SPEECH WINNERS — Five Westmont High School students qualified for the state tournament held at Fullerton recently. Attending were Phil Robinson, Cindy Neal, Cindy Spence, David Charlet and Kathy Lee. Cindy Spence (left) won fourth place in original oratory and David Charlet (right) placed fifth in humorous interpretation. Miss Spence also qualified for the national tournament which will be held at Stanford in June.

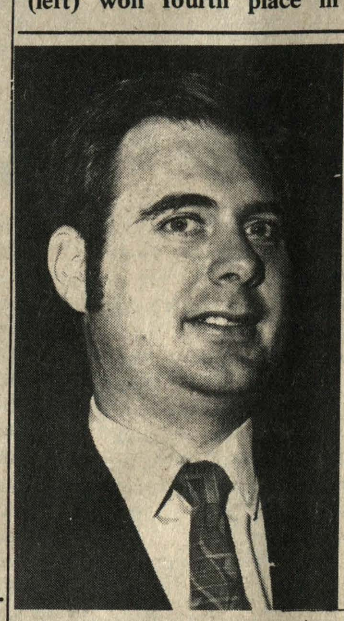
The team is coached by Rita Wilkinson.

SEABEE MEMORIAL

According to Austin C. Richardson, 675 Harriet St., Chief Builder in the Naval Reserve Construction Battalion, a nationwide drive to raise money for a monument and scholarship fund in honor of the Navy's Seabees began May 1.

Richardson is local chairman of the Seabee Memorial Association, and will direct fund raising activities in the San Jose area.

The association hopes to raise $2 million for a monument near Arlington National Cemetery in Washington, D.C. and a scholarship fund for children of past and present Seabees.



DIRECTOR - AT - LARGE — Dale Pedersen, manager of Stevens Fabrics in the PruneYard, has been named as director-at-large of the Chamber of Commerce, Norm Paul, CofC prexy reported this week. Pedersen, 31, has been manager of the huge fabric store in the PruneYard since it was established early in 1970.

RESERVIST PROMOTED

Robert M. Bell of Campbell was advanced to Chief Petty Officer in recent promotion ceremonies at the San Jose Naval Training Center here recently. He is a member of Surface Division 12-36 where he is supervisor for the ship's office and has been with the Reserve unit for eight years. His active duty assignments have included Hawaii, the Mediterranean area and Newport, R.I.

Bell has a BA in Law Enforcement Administration from San Jose State and is employed as a detective for the fraud unit of the San Jose Police Department.

Round Table Pizza opens this week in Riverside Plaza center

This week marks the grand opening of another new restaurant in Campbell, the beautiful new Round Table Pizza at 711 Hamilton Ave. in the Riverside Plaza shopping center. Operators of the new pizza castle are Arthur, Frank and Alan Sisco, who have a background of more than 20 years in the San Jose area.

The Sisco's are no strangers to the fine art of pizza making as father Arthur was a partner in the original Patti Pizza company, later the California Pizza company, now a division of Fairmont Foods.

The elder Sisco was also a partner in the Alum Rock Cheese Co. whose trademark "Milking Stool" brand is a popular item in this area. Sisco also was instrumental in establishing the Bernard Foods Co. operating in both San Jose and Chicago.

The Sisco family was originally from Oak Park, Ill., birthplace of son Frank. The Sisco family operated a thriving candy manufacturing business in Illinois until moving to the Santa Clara Valley. Son Frank was graduated from St. Francis High School in Mt. View, later attending San Jose City College and graduating from San Jose State as an art major. Alan is presently attending Bellarmine High School.

Many of the dishes served at the Round Table "castles" are tied to the legendary background of King Arthur's Round Table and his knights of Camelot. For instance, there's a King Arthur's Tournament Sandwich, Pride of Camelot Hamburgers, Guinevere's Garden Salads, beverages from the cellar, and draft beer on tap.

The "legend" of the Round Table Pizza is that as the "royal dish" of Europe, it was introduced to Camelot by none other than Sir Lancelot, "now considered to be the father of the English Pizza".

NEW IN CAMPBELL—Opening this week in the Riverside Plaza shopping center at 711 W. Hamilton, is Round Table Pizza which is operated by Frank Sisco and his two sons, Frank and Alan.

HARVARD COURSE

Seymour Collins of 1305 McBain Ave., Campbell, president and general manager of Westfab Manufacturing Co., Fremont, was graduated recently from the Advanced Management Program of the Harvard University Graduate School of Business Administration, in a ceremony at the Baker Library. He had been studying at the Business School since February 7.

IN KOREA

U.S. Air Force Master Sergeant Paul D. Brothers, of Washington, Ind., arrived recently for duty at Osan AB, Republic of Korea.

Sergeant Brothers, an air operations supervisor, is assigned to a unit of the Pacific Air Forces.

His wife, Patricia, is the daughter of Mr. and Mrs. Len Fitzgibbons, 1333 Munro, Campbell.

New Books BOOKS at Campbell Library

THE JOINT, by James Blake, (365.6092 - Non Fiction)
With his talent and education, Blake might have succeeded at anything that interested him. He attended two universities, is a trained pianist, well-read, philosophical and witty. But an alternating despair and amused incredulity at the foibles of his fellow man, plus a combination of unusual appetites, made him march to a different drummer down a path that led inevitably through iron doors. James Blake has spent almost half of his adult life in prisons (the joint) and in these letters to various friends he describes life behind bars as no one ever has. Prison offered him a refuge and a freedom the outside world did not.

The Contract, by Allan Prior (Fiction)
Max Morrison, a television producer, goes to the Riviera where he finally tracks down the legendary American movie star who he wants the signature of on a contract. He finds a glamorous and passionate life which he has never known while he awaits the right moment to put through the contract. The author has a wonderfully sympathetic understanding of the crisis of middle age, when a man looks back at what he has achieved and wonders if it is too late to change, and a woman knows that her bargaining power is running out.

The Crossing, by Brian Rothery (Fiction)
Peter Jacobson, a trained twentieth-century logician finds himself confronted by mankind's oldest problem — survival in a hostile environment. Trapped alone in a frozen Greenland wiling, he attempts to conquer his problem, exhausting his possibilities one by one in a bitterly painful struggle. He finally confronts man's elemental nature and a confrontation with his own civilized world.
